

Dear Boys & Girls Clubs families of NVLA,

We want to thank you for your interest in the after school program at NVLA. You are receiving this letter because your child(ren) are currently enrolled or on a waiting list for the 2010/2011 Boys & Girls Clubs after school program at NVLA.

The demand for our program has been steadily increasing year after year. In an effort to meet this demand we will be changing the structure of our program to accommodate more students each day. We will be adding staff, utilizing additional program areas and buying extra supplies. Unfortunately, the grant funding currently received is insufficient to afford the additional resources needed. Effective August 18, 2010, we will be implementing a nominal fee-based system for students participating in the after school program. Each member will be asked to pay a monthly fee of \$20.00 to maintain a spot in the program.

The payment structure will be as follows (Payment registration form is included):

Fees (per member)

- **\$50.00 annual Boys & Girls Club membership (one-time payment)**
- **\$20.00 program fee per month**

Payments (per member)

- **Families can pay \$200.00 in August + \$50.00 membership fee = \$250.00 (*\$20 savings*)**
- **Families can spread out the payments to be twice a year, \$150.00 payment due in August and \$100 payment due in January (*\$20 savings*)**
- **Families can pay \$50.00 membership fee upon enrollment and \$20.00 each month (due by the 5th of each month)**

Even with the implementation of a fee-based system allowing us to serve more students, the program will still have a set capacity. At this time, we are able to add all students currently on the waiting list. However, we have limited capacity to enroll additional students beyond those currently enrolled and/or on a waiting list. Those limited spaces will be filled on a first-come, first-served basis.

Unfortunately, due to physical space restrictions, the Kindergarten program capacity will remain at current levels. At this time, we are only accepting additional kindergarten students onto our established waiting list. We apologize for this inconvenience.

If you have any questions or concerns, please contact:
Julia Matison at 266-4455 or Eric Dreikosen at 255-8866 x119

Thank you again for your strong support of the after school program at NVLA. With your help, we will be able to accommodate more students next school year!

Thank you,

Julia Matison
Boys & Girls Clubs of Napa Valley
Program Director, NVLA
